About the Offering

The three herds that are combining to make this great Shorthorn offering are well known throughout the middle west not only for the outstanding sires that have been used, the quality of females that have been purchased for foundation purposes, but also because their consignments to state sales have always been among the top selling animals and, in many instances, have established top prices far above the average of the auction.

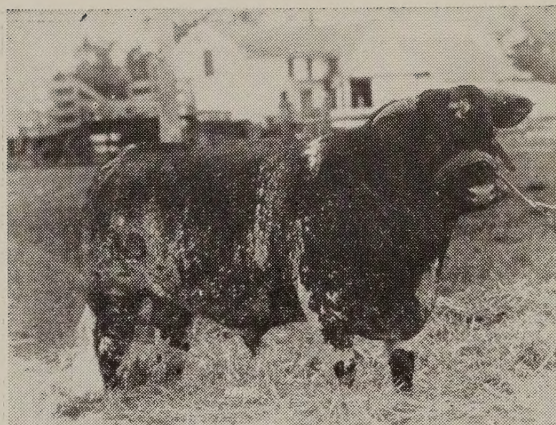

Buyers in this sale will want to secure the blood of Maxwalton Touchstone in the Eldak herd. A marked feature of his progeny are the good heads which appear on every calf he sires. They are equally well known for their good type and balance.

Sons and daughters of Maxwalton Control that comprise the biggest percentage of the Stramer offering are likewise creating a niche in the Shorthorn hall of fame for their sire. There are illustrations in this sale catalog which should make any lover of good Shorthorns want to own one of them.

Imp. Bapton Orator, International winner and for a number of years chief herd sire of the Hofstrand herd, needs no introduction. His get have been noted for their ruggedness, early maturity and quality. Several of his sons that sell in this sale are ready for immediate service and represent modern type that is being eagerly sought by cattlemen everywhere.

The combined offering from these three herds will give buyers an opportunity to secure the blood of the best in both bulls and females. It is up to you to take advantage of this opportunity. Prime beef has suddenly become a scarce article. Producers of high quality Shorthorn seed stock are in a position to be rewarded by substantial profits, not only for the present crisis, but for many years to follow during which time many herds must necessarily be rebuilt; in this country and in countries all over the world.

You will be given a hearty welcome at Eldak Farms where the sale will be held on September 26th, but better still you can be sure that breed improving cattle will be offered for sale. There will doubtless be many bargains and it is up to you to be on hand to take advantage of them.—Clinton K. Tomson, Sale Manager.

Beathton Marshal =249623=

Beathton Marshal =249623=
 —This dark roan son of Walshford Paymaster (Imp.) was the top bull in the 1941 Beath Sale. We think a lot of him. His dam is sired by Cluny Sirdar Augustus and is a half sister to the dam of Marellbar's winning heifer at the 1941 International. Buy some heifers bred to this bull—we predict some outstanding calves from him!

Eldak Sensation 2117315—We are very proud to offer this outstanding dark roan calf in our sale. We think he will make his new owner not only an outstanding individual but a real sire. For type he is hard to beat. Such compactness and shortness of leg certainly should be a requisite of a good sire. His Rosewood dam is sired by one of the best breeding bulls that was ever in South Dakota, Marshal Avon. This calf, although just a junior calf has been showing very well against the senior calves and he looks like a comer. Anyone who wants to secure one of the most modern types of herd bull will do well to look him over. We are sure he will do.

Eldak Starlight 1986681

Eldak Starlight 1986681—Grand Champion Female, Sioux Empire Fair 1942. We are most reluctant to part with this grand heifer as we believe she is one of the most valuable females ever to be offered for sale. Her dam is by Browndale Goldspur. She has as much Cruickshank breeding in her pedigree as it is possible to get and is a member of the famous Allen Starlights. Her show record has been very consistent and whoever gets her will have one of the top females in the country. She will look good in any herd and she sells safe in calf to Glenburn First Aid, undefeated bull in

Canada in 1941 and stood second at the International to the Senior Champion and was Grand Champion Bull at the 1942 Sioux Empire Fair.
